Singing Together

Today's the day we've been waiting for
Today's the best day of the year
Tonight's the night we've been dreaming of
I can't believe it's really here
Can you touch the tension? Can you feel the passion?
Can you see excitement in our eyes?
Can you catch the moment? Remember it forever, as our spirits rise

*Singing together, joining our hearts and voices as one
Feeling united, getting excited, the great day has come
Music has power deep inside - bringing a feeling we can't hide
Spreading the message far and wide
Watch out World!*

We sing the songs of the present day

We sing the great tunes of the past

As music's story lives through history

It's up to us to make it last

Can you touch the tension? Can you feel the passion?

Can you see excitement in our eyes?

Can you catch the moment? Remember it forever, as our spirits rise

Singing together, joining our hearts and voices as one

Feeling united, getting excited, the great day has come

Music has power deep inside - bringing a feeling we can't hide

Spreading the message far and wide

Watch out World!

Ayo! Ayo! Ayo! Ayo! Ayo! Ayo!

Singing together

Ayo! Ayo! Ayo! Ayo! Ayo! Ayo!

Singing together

Singing together, joining our hearts and voices as one

Feeling united, getting excited, the great day has come

Music has power deep inside - bringing a feeling we can't hide

Spreading the message far and wide

Watch out World!

Name That Toon

Bugs Bunny Theme

Overture, curtain lights
This is the night of nights
No more rehearsing or nursing a part
We know every part by heart
Overture, curtain, lights
This is it, we'll hit the heights,
And oh what heights we'll hit
On with the show this is it

Flintstones

Flintstones. Meet the Flintstones.
They're the modern stone age family.
From the town of Bedrock,
They're a page right out of history.

Let's ride with the family down the street.
Through the courtesy of Fred's two feet.

When you're with the Flintstones
Have a yabba dabba doo time.
A dabba doo time.
You'll have a gay old time.

Spiderman

Spider-Man, Spider-Man,
Does whatever a spider can
Spins a web, any size,
Catches thieves just like flies
Look Out! Here comes the Spider-Man.

Is he strong? Listen bud,
He's got radioactive blood.
Can he swing from a thread?
Take a look overhead
Hey, there There goes the Spider-Man.
Hey, there There goes the Spider-Man.

Scooby Doo

Uh? Hey Scooby!

Scooby-Dooby-Doo, Where Are You? We got some work to do now.

Scooby-Dooby-Doo, Where Are You? We need some help from you now.

You know we've got a mystery to solve,

So Scooby Doo be ready for your act. Don't hold back!

And Scooby Doo if you come through

you're going to have yourself a scooby snack!

(That's a fact!)

Scooby-Dooby-Doo, here Are You. You're ready and you're willing.

If we can count on you Scooby Doo, I know we'll catch that villian.

Phineas and Ferb

There's 104 days of summer vacation, and school comes along just to end it
So the annual problem for all generations is finding a good way to spend it

Like maybe

Building a rocket or fighting a mummy or climbing up the Eiffel Tower
Discovering something that doesn't exist, or giving a monkey a shower

Surfing tidal waves, creating nanobots or locating Frankenstein's brain (It's over here!)
Finding a dodo bird, painting a continent, or driving your sister insane

As you can see

There's a whole lot of stuff to do, before school starts this fall
So stick with us 'cause Phineas and Ferb are gonna do it all
So stick with us 'cause Phineas and Ferb are gonna do it all!

Pink Panther

Think of all the animals you ever heard about
Like rhinoceroses and tigers, cats and mink
There are lots of funny animals in all this world
But have you ever seen a panther that is pink? Think!
A panther that is positively pink!

Well here he is, the Pink Panther The Pink Panther
Isn't he a panther ever so pink
You'll see that he's a groovy cat He's a gentleman, a scholar, he's a acrobat

He's in the pink, the Pink Panther The rinky-dink panther
And it's as plain as your nose
That he's the one and only, truly original Panther pink from head to toes
Yes he's the one and only, truly original Panther Pink Panther from head to toe!

Dangermouse

He's the greatest He's fantastic
Wherever there's danger he'll be there
He's the ace He's amazing
He's the strongest he's the quickest he's the best
Danger Mouse Danger Mouse Dangermouse!

Top Cat

Top Cat! The most effectual Top Cat!

Who's intellectual close friends get to call him TC
Providing it's with dignity!

Top Cat! The indisputable leader of the gang.
He's the boss, he's the VIP, he's a championship.
He's the most Tip Top, Top Cat.

Na na!

Africa

I hear the drums echoing tonight
But she hears only whispers of some quiet conversation
She's coming in twelve-thirty flight
Her moonlit wings reflect the stars that guide me towards salvation

I stopped an old man along the way
Hoping to find some old forgotten words or ancient melodies
He turned to me as if to say, "Hurry, boy, it's waiting there for you."

*It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had*

The wild dogs cry out in the night
As they grow restless longing for some solitary company
I know that I must do what's right
Sure as Kilimanjaro rises like Olympus above the Serengeti

I seek to cure what's deep inside, frightened of this thing that I've become

*It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa, gonna take some time to do the things we never had*

"Hurry, boy, she's waiting there for you."

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa [x3]

Why We Sing

A sound of hope, a sound of peace,
a sound that celebrates and speaks what we believe.
A sound of love, a sound so strong,
it's amazing what is given when we share a song

This is why we sing, why we lift our voice,
why we stand as one in harmony!
This is why we sing, why we lift our voice,
take my hand and sing with me!

Soothe a soul, mend a heart,
bring together lives that have been torn apart.
Share the joy,
find a friend,
it's a never – ending gift that circles back again.

Soothe a soul
mend a heart
Share the joy
find a friend

***This is why we sing, why we lift our voice,
why we stand as one in
harmony!***

harmony

This is why we sing, why we lift our voice, take my hand and sing with me!

Music builds a bridge, it can tear down a wall!
Music is a language, that can speak to one and all!

***This is why we sing, why we lift our voice, why we stand as one in
harmony!***

harmony

***This is why we sing, why we lift our voice,
take my hand and sing with me! This is why we sing (x3)***

Pop Goes The Classics

A Lover's Concerto

How gentle is the rain, that falls softly on the meadow;
Birds high upon the trees serenade the flowers with the melody
Oh, see there beyond the hill, the bright colors of the rainbow
Some magic from above made this day for us, just to fall in love.

Oh hold me in your arms and say once again you love me
And if your love is true everything will be just as wonderful

Stranger in Paradise

Take my hand I'm a stranger in paradise
All lost in a wonderland, A stranger in paradise
If I stand starry eyed, that's a danger in paradise
For mortals who stand beside an angel like you

Won't you answer this fervent prayer?
Of a stranger in paradise
Don't send me in dark despair from all that I hunger for
But open your angel's arms to this stranger in paradise
And tell them that they need be a stranger no more

Whiter Shade of Pale

We skipped the light fandango
turned cartwheels 'cross the floor
I was feeling kind of seasick
but the crowd called out for more
The room was humming hotter
as the ceiling flew away

When we called out for another drink
the waiter brought a tray
And so it was that later
as the miller told his tale
that her face, at first just ghostly,
turned a whiter shade of pale

I Can

I know I can be what I wanna be
If I work hard at it I'll be where I wanna be
If the truth is told, the youth can grow
They learn to survive until they gain control
Nobody said you have to be gangsters
Read more, learn more, change the globe
Get up children, do your thing
Hold your head up little man, you're a King!
Young Princess when you get your wedding ring
Your man is saying "She's my Queen!"

I know I can
Be what I wanna be
If I work hard at it
I'll be where I wanna be

I know I can
Be what I wanna be
If I work hard at it
I'll be where I wanna be

Altogether Now

Remember boy that your forefather's died
Lost in millions for a country's pride
But they never mention the trenches of Belgium
When they stopped fighting and they were one

A spirit stronger than war was at work that night
December 1914 cold, clear and bright
Countries' borders were right out of sight
When they joined together and decided not to fight

Altogether now Altogether now
Altogether now, in no man's land Together!
Altogether now Altogether now
Altogether now, in no man's land Together!

CHORUS 3&4 *(twice)*

The Call

VERSE 1

It started out as a feeling
Which then grew into a hope
Which then turned into a quiet thought
Which then turned into a quiet word

And then that word
grew louder and louder
Til it was a battle cry

I'll come back when you call me,
no need to say goodbye

VERSE 2

Just because everything's changing
Doesn't mean it's not been this way before
All you can do is try to know
who your friends are
As you head off to the war

Pick a star on the dark horizon
and follow the light

You'll come back when it's over
no need to say good bye

You'll come back when it's over
no need to say good bye

VERSE 3

Now we're back to the beginning
It's just a feeling and no one knows yet
But just because they can't feel it too
Doesn't mean that you have to forget

Let your memories grow stronger and stronger
till they're before your eyes
You'll come back when they call you
no need to say good bye
You'll come back when they call you
no need to say good bye

You're In The Band

Grab a hold of your axe and try to pluck out this riff.
Let your shoulders relax, you don't wanna be so stiff.
Keep on going don't stop, take it over the top.
Make each note really pop, squeeze out every last drop.
Give it one final whop! and yes, you're in the band.

Turn a cello this way and it's practically like a bass.
Pop the strings when the play and watch how you shred my face.
Keep on rockin' each note, grab it right by the throat.
Keep the rhythm afloat, don't forget to emote.
And that's all that she wrote! Baby you're in the band.

If you play the piano, you can play the keys.
So just loosen it up and strut your expertise.
Take a look at this music and let your mind expand. You're in the band.

Sit your butt at the skins and try to whack out a beat.
Feel the groove in your pins, then slowly turn up the heat.
With a rat-a-tat-tat on the bass and hi-hat.
Make it juicy and fat, yes exactly like that!
And now shut it down flat. You're in the band.

Do do do do do....

PART 1

Now repeat after me – I pledge allegiance to the band

PART 2

I pledge allegiance to the band

PART 1

And I promise to give Mr Schneebly full command

PART 2

I promise to give Mr Schneebly full command

PART 1

And with me in control of the band as a whole

PART 2

We will rock and we'll roll, with our heart and our soul

PART 1

If you're in the band raise your hand

I'm in the band

I'm in the band

I'm in the band

(You're in the band)

We're in the band

(You're in the band)

We're in the band. We're in the band!

PART 2

I'm in the band

I'm in the band

I'm in the band

Stevie Wonderland

SIR DUKE

Music is a world within itself
With a language we all understand
With an equal opportunity
For all to sing, dance and clap their hands
But just because a record has a groove
Don't make it in the groove
But you can tell right away at letter A
When the people start to move

They can feel it all over, they can feel it all over people
They can feel it all over, they can feel it all over people

Ba ba da ba ba da ba.....

AS

Verse 1 Cue

Just as all that's born is new you know what I say is true. That I'll be loving you always

Until the rainbow burns the stars out in the sky
Until the ocean covers every mountain high
Until the dolphin flies and parrots live at sea
Until we dream of life and life becomes a dream

Verse 2 Cue

Just as kindness know no shame through all your joy and pain, that I'll be loving you always.

Until the day is night and night becomes the day
Until the trees and seas just up and fly away
Until the day that eight times eight times eight is four
Until the day that is the day that are no more

I WISH

Chorus

I wish those days could come back once more
Why did those days e-ver have to go
I wish those days could come back once more
Why did those days e-ver have to go 'cos I love them so

SIGNED, SEALED, DELIVERED

Chorus

Here I am baby
Signed, sealed, delivered, I'm yours babe
Here I am baby
Signed, sealed, delivered, I'm yours babe

I'm Yours

CHORUS

So I won't hesitate no more
No more, it cannot wait
I'm sure
There's no need to complicate
Our time is short
This is our fate
I'm yours!

Pop Medley

I LOVE MY LIFE

Tether your soul to me - I will never let go completely
One day your hands will be strong enough to hold me

I might not be there for all your battles
But you'll win them eventually
I'll pray that I'm giving you all that matters
So one day you'll say to me

I love my life
I am powerful - I am beautiful - I am free
I love my life - I am wonderful - I am magical - I am me
I love my life

HUMAN

Maybe I'm foolish maybe I'm blind
Thinking I can see through this and see what's behind
Got no way to prove it so maybe I'm blind

*But I'm only human after all I'm only human after all
Don't put your blame on me don't put your blame on me*

Take a look in the mirror and what do you see
Do you see it clearer or are you deceived
In what you believe

*'Cause I'm only human after all you're only human after all
Don't put the blame on me don't put your blame on me*

Some people got the real problems some people out of luck
Some people think I can solve them Lord heavens above
I'm only human after all I'm only human after all
Don't put the blame on me, don't put the blame on me

PLAY THAT SONG

Hey, mister DJ when you gonna spin it
My baby's favourite record she's been waiting for a minute
She invited all her friends and I'm buying all the rounds
And they're all dolled up DJ please don't let me down

When you gonna play that song
When you gonna earn that pay
When you gonna play that song and make my day

She said, play that song - the one that makes me go all night long
The one that makes me think of you
That's all you gotta do, eh eh eh
Play that song
The one the makes me stay out till dawn
The one that makes me go, "ooh" - That's all you gotta do

HEROES

We go hideaway in daylight
We go undercover when under sun
Got a secret side in plain sight
Where the streets are empty
That's where we run

Everyday people do everyday things but I
Can't be one of them
I know you hear me now we are a different kind
We can do anything

We could be heroes, we could be heroes, me and you
We could be heroes, we could be heroes, me and you
We could be

CASTLE ON THE HILL

When I was six years old I broke my leg
I was running from my brother and his friends
And tasted the sweet perfume of the mountain grass I rolled down
I was younger then, take me back to when I

...found my heart and broke it here
Made friends and lost them through the years
And I've not seen the roaring fields in so long, I know I've grown
But I can't wait to go home

I'm on my way
Driving at ninety down those country lanes
Singing to "Tiny Dancer" And I miss the way you make me feel, and it's real
We watched the sunset over the castle on the hill
