

PSHE

Personal, Social, Health and Economic (PSHE) education is a school subject through which pupils develop the knowledge, skills and attributes they need to manage their lives, now and in the future. These skills and attributes help pupils to stay healthy, safe and prepare them for life and work in modern Britain. When taught well, PSHE education helps pupils to achieve their academic potential, and leave school equipped with skills they will need throughout later life.

At Gorseybrigg, we aim to promote healthy, independent and responsible members of society. We encourage all our pupils to play a positive role in contributing to school life and the wider community through class & school councils, fundraising events, supporting nominated charities and involvement in community activities. Our pupils are given opportunities in PSHE through the ASK (Attitudes, Skills & Knowledge) scheme of work, to develop confidence, self-motivation and an understanding of their rights and responsibilities within our diverse society.

We teach PSHE in a variety of ways, as a discrete subject, through lessons, via assemblies and through other subjects such as RE, History, Geography, Literacy, Maths and Science, as well as through outdoor educational visits, community work and activities.
