Dear Parents

## Changes to After School Clubs Spring 2 Half Term

We are extremely excited that next half term we are trialing some new after school clubs.

### Football Club

On Wednesdays we are introducing Football Club that will be provided by Qualitas, whom I'm sure many of you will know from external clubs. There will be two separate sessions with two separate coaches; one for Reception to Year 2 children and one for Year 3 to Year 6 children. Each session will involve learning techniques and skills as well as playing matches and games. The KS1 group is limited to 12 children and the KS2 group is limited to 16 children. The sessions will last an hour (3.30–4.30pm). The cost is £14 for the four week half term (£3.50 a session) payable in advance via ParentPay. Whatever the weather football club will be held **outside** for both key stages. Please ensure that the children are dressed for the weather.

### Fencing

On Fridays we are thrilled to be bringing a brand new club to the school in the form of Fencing. This club will again be provided by Qualitas and is available to Key Stage 2 pupils (Year 3 – Year 6) only and is limited to 16 pupils. All equipment is provided and the session will last an hour (3.30–4.30pm) and will take place in the hall. Children should wear normal sportswear and have a drink. The cost is £14 for the four week half term (£3.50 a session) payable in advance via ParentPay.

### Jumping Clay

Also on Friday we are offering a Jumping Clay club. This is a unique polymer clay for the children to mold and create within their sessions. Many of you may already be familiar with Jumping Clay. As we anticipate these sessions being very popular we are only offering it to two year groups per half term, starting with Years 1 and 2. There are only 8 places available and places should be booked via ParentPay, the attached registration form will also need completing and returning to school by Monday 26<sup>th</sup> February. Please only complete the registration form once you are sure your child has been allocated a space. The club will take place in the Community Room and will run from 3.30pm–4.30pm. The cost of the four sessions for next half term is £23 payable via ParentPay. The following half term, sessions will be offered to different year groups in school. Please see their website for more information [www.jumpingclay.co.uk](http://www.jumpingclay.co.uk).

As always we will also be running FabLab (Science Club) on Mondays in the Community Room at a cost of £20 for the four week half term, which is run by the Discovery Project. Got to Dance is also available in the hall on Mondays to all would be street dancers and this is run by DanceDaze at a cost of £14 for the four week half term. Wednesdays sees the return of RuggerEds in the hall (until the weather improves when they will return to St Andrews Fields) at a cost of £20 for the four week half term. Thursdays is Razzmatazz club which continues the theme from this half term of School of Rock. **This club has already been paid for at the beginning of this half term.**

All clubs operate on a first come first served basis and ParentPay will open at 4pm on Tuesday 13<sup>th</sup> February.

Hopefully there is something there for everyone to try next half term.

Regards

**Corinne Thornton**
