

Partnership of Dronfield Schools

Online Safety Evening

Due to the success of last year's event, we are delighted to offer an online safety evening for all parents/carers of pre-secondary age pupils who attend schools within the Partnership of Dronfield Schools. The event will be delivered by members of the Dronfield and Eckington Multi-Agency Team.

This will be held at:

Dronfield Henry Fanshawe School

Green Lane, Dronfield, S18 2FZ

Monday 5th February 2018

6.00pm – 7.00pm

The evening will be a fabulous opportunity to find out information relating to keeping children safe online, what the potential dangers are, how to help at home and what to look for.

The event will be a good opportunity to assess how we can best keep children safe, whilst ensuring they enjoy the freedoms and excitement that comes with the internet and online age. The evening is relevant to anyone who has any device in their home with internet access, even if your child doesn't use it yet! However, the evening is not intended for children.

Please complete the reply slip below if you are interested in attending this event.
