

PE and Sport Premium

Primary school PE and school sport: new funding

Background

1. In April 2013, the Government announced new funding of £150 million for physical education (PE) and sport. This funding should be used to improve the quality and breadth of PE and sport provision.
2. Funding will be allocated to all maintained and state-funded schools with primary phase pupils, including: primary, middle, special and non-maintained special schools, academies and pupil referral units from 1 September 2013. A typical primary school will receive about £9,250 annually in the academic years 2013/14 and 2014/15.
3. Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

How will we be spending the PE and Sport funding and who will benefit?

At Gorseybrigg we are investing £1450 of our funding in affiliating to the North East Derbyshire School Sport Partnership (NED SSP). NED SSP is passionate about improving the lives of young people, by providing opportunities through Physical Education and Sport.

NED SSP will provide a core package to support the school in;

Physical Education

- Continuous professional development signposting and support
- Inclusion training and support
- PE and School Sport Audit

Competition

- Level 1 School Games (intra-school) support
- Access to Level 2 School Games calendar appropriate for age group (inter-school – cluster / district)
- Access to Level 3 School Games events (qualification only)
- Membership of the Derbyshire School Sports Association

Leadership & Volunteering

- Mini Leader programme - training / mentoring
- Bronze Young Ambassador programme (Y5 only)
- School Sport Organising Crew development (primary / junior)

Club & Community Links

- Signposting to local clubs through competition programme
- Sport specific curriculum support (KS2 only)

Talent Identification & Development

- Shooting Stars talent programme (Y5-6 only) to include parent workshops, elite performance trip, easter academy and summer residential

Physical Activity

- Midday Supervisor training
- Active lunchtime programme
- Bikeability programme (Y5&6)
- Early Rider Infant cycling programme (infant only)
- Change 4 Life Sports Club programme (Y3-4)

Other features

- Support for schools to achieve School Games Kitemark for PE and Sport
- Cluster and Individual School development through a PE and School Sport audit
- Sharing of good practice through regular PE Coordinator/Headteacher meetings at cluster and SSP level
- School Sport Partnership Conference (KS1 event)
- For more information please visit the partnership website www.nedssp.co.uk

Our school has completed an audit of PE, school sport and physical activity to inform how to effectively maximise the impact of the sport premium funding. Therefore, in addition to our affiliation to the NED SSP, we have allocated the following:

- Lead Practitioner support £600 – NED SSP Lead Practitioners are supporting our staff to develop their confidence and competence to deliver high quality physical education. As well as having an impact on staff confidence, it is also having an impact on pupil attainment.
- Observing lead Practitioner deliver PE across both key stages £150 – This will enable the coordinator to observe monitor the quality of PE in or school.
- Purchase of the Val Sabin schemes of work for Early Years. Purchase of the games and gymnastics schemes of work for Key Stages 1 and 2. £400 – This will ensure progression of skills and pupil attainment.
- Purchase of 2 netball posts £242 – This will improve the children's shooting skills.

A further possible development is to put sports court markings on the playground, which will cost approximately £1500.
